Thanks Enrique

Anne-Marie is off this weekend, I will be doing sit.

Let me know if you want me to join you on the 12 or 1 pm calls to keep our sit support consistent.

Attached are public notices by New Mexico lifting their ban on irrigation and use of wells. In Colorado, the Animas River was reopened yesterday and the City of Durango announced that they will again draw water from the river for drinking water.

Feel free to share. Laura - please make sure the Navajo IC gets this.
